

Liberty tour Varese

Liberty Tour consists of seven stops among the marvels of Varese. It won't all be about Liberty: right from the first stop in Piazza Montegrappa, marvel at the city in the comfort of the personalised "Liberty" coach; the tour shall continue with a short stroll through the Giardini Estensi and an outdoor visit of Villa Recalcati, previously the Grand Hotel Excelsior, the very first hotel of the "Belle Epoque" in Varese. This journey into the past shall continue with the historic and evocative Villa Agosteo of Sacro Monte and the outdoor visit of the Poretti brewery, a local architectonic pride and joy. The Tour shall conclude with a visit to Palace Grand Hotel on Colle Campigli.
